PAYMENT POLICY

ADVANCE PRICING

To obtain the advance pricing, full payment must be included with your order. Orders received after the advance payment deadline date or made at the Exhibitor Service Center during the show, will be billed at the “Standard Price” as listed on the enclosed forms. Telephone orders will not be accepted.

PAYMENT OPTIONS

We offer two convenient ways for you to order and pay for your show services provided by CSS.

1. Service Kit (pdf download)
   a. Advance payment by Company Check, Wire Transfer, or e-check: All checks for show services provided by CSS should be made payable to Convention Services of the Southwest, Inc. (CSS) and must be in U.S. Dollars drawn on a U.S. bank. International exhibitors must prepay all balances no later than the advanced payment deadline in U.S. Dollars drawn on U.S. banks. A Credit Card Authorization form is also required to cover any variances with regards to drayage (material handling) and labor orders as well as any additional charges incurred at show site.
      i. Please note that for Wire Transfer/ACH payments, CSS does not pay bank fees from the sending or receiving bank. Please add $25.00 to amounts transferred to be considered paid in full.
      ii. CSS will add a fee of $35.00 to any order where the check payment is returned as insufficient funds.
   b. Credit Card: For your convenience we accept Visa, MasterCard, and American Express. You must complete the Credit Card Authorization form. For discount rates to apply, CSS must receive this form by Friday, September 16, 2022. (There will be a $75.00 administrative fee if a credit card dispute is filed and CSS is awarded charges.)

2. On-Line Ordering
   a. Log-in information with a temporary password will be automatically emailed to the email address on file with the association at the time of registration. To place your order, log-in and follow the instructions. A credit card on file is required to complete your order. An email will be sent confirming your order is complete. The charges on your confirmation will not be considered final until the show closes (drayage fees are added once freight is received and floor orders may be added).

PAYMENT TERMS

To process your order for services and materials listed in this Exhibitor Service Kit, we must have your completed and signed Credit Card Authorization form or full payment in advance or you must place your order on-line. Invoices for outstanding balances will be emailed to the email address on file and must be paid before the end of the event. If you have any concerns about your charges, please stop by the Exhibitor Service Center at the show. Charges may not be disputed after the show.

Items ordered and delivered but subsequently canceled will be charged 50% of the order price to cover labor involved.

Please notify your company representative who will be at the show site of our payment policy. Your cooperation is appreciated. No credits will be issued after close of show.

If a display house represents the exhibiting company, the exhibiting company is ultimately responsible for payment of all costs incurred on its behalf. (See Third Party Payment Form). Third Parties must contact CSS for an on-line log in.
CSS will present show site invoices to third parties for payment of services rendered to exhibitors, provided the following conditions are met:

- The payment record of the third party is acceptable to CSS.
- This completed form is to be signed by BOTH PARTIES and returned to CSS by Friday, September 16, 2022.
- This form is to be accompanied by a completed Credit Card Authorization form from EACH PARTY.
- If there is any doubt which party is to be invoiced for a service, the exhibiting firm accepts responsibility for payment upon presentation of invoice at show site.
- The exhibiting firm is ultimately responsible for payment of all charges by show close.

Please indicate below which items/services are to be invoiced to the third party:

- [ ] Furniture/Carpet
- [ ] Booth Cleaning
- [ ] Material Handling
- [ ] Booth Labor

Other:

WE UNDERSTAND AND AGREE THAT WE, THE EXHIBITING COMPANY, ARE ULTIMATELY RESPONSIBLE FOR PAYMENT OF CHARGES INCURRED. IN THE EVENT THE NAMED THIRD PARTY DOES NOT MAKE PAYMENT UPON PRESENTATION OF INVOICE AT SHOW SITE, SUCH CHARGES WILL BE PRESENTED TO THE EXHIBITING COMPANY FOR PAYMENT BEFORE THE CLOSE OF THE SHOW.

Top Design Tips for Tradeshow Exhibits

Look for ways to bring these tips to life throughout the catalog!

Spin Around. Swivel chairs maximize functionality and allow you to engage with those all around. They’re particularly helpful in smaller spaces!

Get Connected. Communal tables facilitate networking opportunities and build connections.

Creature Comforts. Comfortable “living room” spaces relax clients and encourage genuine conversation.

Keep it Green. Lifelike greenery warms up booth environments by bringing nature indoors.

Demo Down. Ottomans are a great way to design small theaters for quick demonstrations.

Standalone hubs let guests plug in with a minimal footprint, while powered pedestals serve a dual purpose: keeping items secure while charging devices.
When guests are comfortable, they’re more likely to linger and relax, resulting in candid and meaningful conversations with your team. Offer a “living room” style design in your booth space to provide that comfort, as well as an escape from the standard trade show experience. Go traditional with matched soft seating sets, or mix and match for a uniquely trendy look!

Versatile Executions.

When space is limited, furnishing with pieces that are versatile and multipurpose is key to providing a well-rounded experience. Ottomans serve as both additional seats and tables depending on your need. Stage them around accent tables for a comfortable campfire setting, or line them up in rows to create an audience for your presentation. Colorful options also help amplify your brand’s style.
Provide a Pop:
Colorful furnishings attract more attention while reinforcing brand themes. Amplify your organization’s color palette, or simply go bold to catch passing eyes.

UNION JURISDICTIONS FOR PALM SPRINGS, CA

THE FOLLOWING GUIDELINES APPLY IN THE PALM SPRINGS AREA:

We are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction that the various unions have, we ask that you read the following:

UNION LABOR

California is NOT a “right-to-work” state. The installation and dismantling of prefabricated displays comes under the jurisdiction of the Painters decorator’s union. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor and freight handling can be arranged for at established rates, using the enclosed order forms.

EXHIBIT LABOR JURISDICTION

Painters decorator union exhibit labor claims jurisdiction for the installation and dismantling of prefabricated exhibits and displays. However, one (1) full-time exhibiting company employee may work without tools for thirty (30) minutes on the installation (move in) and (30) thirty minutes on the dismantle (move out), without union labor.

Exhibitors are not permitted to use tools of any type (screwdrivers, hammers, electric drills, power saws, etc.) on booths of any size. Exhibitors may handle and set out the products they manufacture; however, all background materials-display boards, back drops, stands-anything products are displayed upon, attached to, or made part of and laying of floor tile, and carpets must be installed by union labor. If union labor is needed, exhibitor personnel may work alongside of the union on a one to one basis.

MATERIAL/FREIGHT HANDLING JURISDICTION

The Teamsters have jurisdiction over all unloading and reloading of materials. The union also has jurisdiction over the operation of all material handling equipment – this includes all dollies and hand trucks. Exhibitors may move booth material provided it can be hand-carried by one person in one trip from only one vehicle, without the use of dollies, hand trucks or other mechanical equipment. Current union jurisdiction precludes hotel personnel from delivering material to exhibit booths.

SAFETY

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. CSS cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Display Labor order form and the necessary ladders and tools will be provided. Please assist in our efforts to provide a SAFE WORKING ENVIRONMENT for everyone.

GRATUITIES

Our work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts of any kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

IN GENERAL

- Trades people have been instructed to refrain from expressing any grievance or directly challenging the practice of any Exhibitor. All questions originated by labor are to be expressed to the supplier of that labor and/or CSS Management. Direct any questions in regard to union claimed jurisdictions or practices to CSS Management.
- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of CSS. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge.
EXHIBITORS WHO CHOOSE TO HAVE AN EXHIBIT SERVICE FIRM (OTHER THAN THE OFFICIAL LABOR CONTRACTOR) SUPERVISE LABOR, UNPACK, ERECT, ASSEMBLE, DISMANTLE, AND PACK DISPLAYS / EQUIPMENT MUST ABIDE BY THE FOLLOWING:

- Exhibitor must notify Show Management and Convention Services of the Southwest (CSS) in writing no later than Monday, September 05, 2022.
- Exhibitor must ensure their contractor (EAC) provides CSS with a Certificate of Insurance indicating a minimum of $1,000,000 liability coverage, including property damage, and naming CSS as additional insured by Monday, September 05, 2022. If this certificate is not received by the deadline date, Exhibitor may send in a supervisor only and will be required to order show labor. If CSS does not receive a certificate by move-in, the EAC will not be permitted on the show floor.
- Exhibitor is ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals, labor, etc. Companies who leave garbage in aisles or have excessive giveaway boxes will be mandated daily cleaning.
- The EAC must have all business licenses, permits, and Workers’ Compensation insurance required by the State and/or City governments and the facility management prior to beginning work. The EAC shall provide evidence of compliance upon request, and must be compliant with all union jurisdictions.
- The EAC shall share with CSS all reasonable costs incurred as a result of/relating to the EAC’s operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, trash removal, etc.
- The EAC must provide CSS and Show Management the names of all personnel who will be working on the show floor. All personnel are required to wear identification badges at all times and shall comply with all facility badging requirements. Anyone without proper ID will be asked to leave the show floor.
- The EAC may not, under any circumstances solicit business on the show floor.
- The EAC must confine its operations to the exhibit area of its clients; no service desk, storage areas, or other work facilities shall be located within the building. (Show aisles and public space are not part of the booth area.)
- Upon request, the EAC shall provide evidence that it possesses applicable and current labor contracts and must comply with all collective bargaining regulations and agreements.
- The Exhibitor Appointed Contractor has total control over such services as electrical, plumbing, telephone, cleaning, drayage, etc. Exhibitors shall provide only the material they own and is to be used in their exhibit space.

The EAC must notify CSS of the names of all exhibiting companies for whom they have orders and the names of all employees working for them on the show floor. All EACs must provide insurance certificates to CSS and Show Management of the exhibition. Please list show name, location, and Exhibitor name on Certificate of Insurance. Exhibitor Appointed Contractors will not have access to the show floor without a Certificate of Insurance on file with CSS.

MATERIAL HANDLING (DRAYAGE) INFORMATION

- As an exhibitor, you are responsible for providing your carrier with proper delivery and pickup information for your materials, both in advance and at show site.

- Please prepay all shipping charges. CSS cannot accept or be responsible for collect shipments. Keep in mind, material handling (drayage) charges and shipping charges are not the same thing.
  
  - “Drayage” is the movement of freight from decorator warehouse or show-site dock to exhibit booth and back out to the “freight carrier” at the show-site dock.
  
  - “Shipping” is movement of freight from city to city on a designated carrier.

- All shipments must be accompanied by a bill of lading. Shipments received without receipts, freight bills, or specified unit counts (UPS, Federal Express, personal vehicles, etc.) will be delivered to the exhibitor’s booth without guarantee of piece count or condition. No liability will be assumed by CSS for such shipments. Shipments without certified weight documents will be estimated by CSS. (*This estimate will be binding on both parties and no adjustments will be made after the show closes.)

- We will accept all cartons, crates, and skidded materials at the warehouse. Do not ship uncrated materials to the warehouse. Loose materials, uncrated materials, or machinery not banded to skids will be accepted at show site only.

- All van line shipments must be accompanied by a “certified weight ticket”, with heavy & light weights otherwise CSS will estimate freight weight, which will be binding on both parties and no adjustments will be made after the show closes.

- All shipments for the show received either in advance or at show site will be assessed material handling charges by CSS. *(Please refer to the Material Handling Rate Sheet.) All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances, such as carrier-delayed freight delivered after designated move-in times.

- “Off-Target” freight is when freight arrives at the advance warehouse prior to the first scheduled day or after the last scheduled day indicated on both the show information sheet and the Material Handling Rate Sheet. If freight is delivered prior to the first scheduled day of advance freight receipt, storage charges may apply. If freight is delivered after the last scheduled day of advance freight receipt, additional delivery charges may apply.

MATERIAL HANDLING INCLUDES:

- Storing your booth, equipment, and materials in our warehouse for up to 30 days in advance of the show. *(Advance shipments only)*
- Delivering materials to your booth at show site.
- Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of show.
- Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated carriers based on information provided on your show site bill of lading (obtained from CSS Service Center).

MATERIAL HANDLING DOES NOT INCLUDE:

- Labor and/or equipment for uncrating, unskidding, assembling, positioning, leveling, dismantling, recreating, and reskidding machinery and/or equipment for exhibitors. Additional labor to accomplish these tasks may be ordered from the Labor Order Form enclosed in the Exhibitor Service Kit.
- Scheduling any carrier for pick-up or delivery of your materials, if other than the official show carrier(s). All carriers must be checked in by the designated re-routing time or exhibitor freight will be either re-routed with show carrier or returned to CSS warehouse at exhibitor expense. Please refer to Material Handling Rate Sheet for re-route times.
LIMITS OF LIABILITY

PLEASE READ:

CSS' liability is limited to physical loss or damage to a specific article which is lost or damaged, and in any event CSS’ maximum liability will be limited to $.30 per pound, per article with a maximum liability of $50.00 per item or $1,000.00 per shipment, whichever is less.

CSS will not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor’s materials which may make it impossible or impractical to exhibit said materials.

Claims for loss or damage that are not submitted to CSS within 30 days of the close of the show shall be considered waived.

The consignment or delivery of a shipment to CSS by an exhibitor, or by any shipper on behalf of the exhibitor, will be construed as an acceptance by such exhibitors (and/or shippers) of the terms and conditions set forth in this document.

To expedite removal of materials from the show site, CSS shall have the authority to change designated carriers, if such carriers do not pick-up on time. Where the exhibitor makes no disposition, materials will be either taken to a warehouse to await exhibitor’s shipping instructions (in which case “return to the warehouse” charges will be incurred by exhibitor) or shipped to the exhibitor’s address. Labeled shipments left in the facility at the close of the show without a bill of lading will be re-routed with the preferred carrier. No liability will be assumed as a result of such re-routing or handling.

INSURE ALL SHIPMENTS FROM THE TIME THEY LEAVE YOUR COMPANY UNTIL THEY ARE RETURNED FROM THE SHOW. Your present insurance carrier can add a rider to your current policy.

IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO MAKE ALL ARRANGEMENTS FOR PICK-UP AND DELIVERY OF FREIGHT. IF YOU CHOOSE TO USE OUR PREFERRED CARRIER, WE WILL MAKE ALL OUTBOUND ARRANGEMENTS FOR YOU. A COMPLETED BILL OF LADING WILL STILL BE REQUIRED.

CSS will not be responsible for:

- Shipments delivered to the wrong booth due to improper labeling by the exhibitor.
- Misdirected shipments or removal of crates to storage due to old labels appearing on crates.
- Damage to uncrated or improperly packed materials, or concealed damage.
- Loss, theft, or disappearance of Exhibitor’s material after it has been delivered to the exhibit booth.
- Loss, theft, or disappearance of Exhibitor’s material prior to materials being picked up from exhibit booths for reloading after close of the show. CSS will check all bills of lading covering outgoing shipments at time of actual pick up from the exhibit booth. Corrections will be made to the bill of lading where discrepancies occur.
- Loss, damage, or delay due to fire, acts of God, strikes, lockouts, work stoppages of any kind, or any causes beyond CSS control.

The exhibitor accepts the responsibility for the payment of charges in connection with the handling of the shipment and guarantees payment to CSS for the incurred services described herewith. SEE PAYMENT POLICY.

UNIFORM BILL OF LADING TERMS AND CONDITIONS

Sec 1
(a) The carrier or the party in possession of any of the property described in this bill of lading shall be liable as at common law for any loss thereof or damage thereto, except as hereinafter provided:
(b) No carrier shall be liable for any loss or damage to a shipment or for any delay caused by an Act of God, the public enemy, the authority of law, or the act or default of shipper. Except in the case of negligence of the carrier or party in possession, the carrier or party in possession shall not be liable for loss, damage or delay which results; when the property is stopped and held in transit upon request of the shipper, owner or party entitled to make such request; or from faulty or impassable highway, or by lack of capacity of a highway bridge or ferry; or from a defect or vice in the property; or from riots or strikes. The burden to prove freedom from negligence is on the carrier or the party in possession.

Sec 2
Unless arranged or agreed upon, in writing, prior to shipment, carrier is not bound to transport a shipment by a particular schedule or in time for a particular market, but is responsible to transport with reasonable dispatch. In case of physical necessity, carrier may forward a shipment via another carrier.

Sec 3
(a) As a condition precedent to recovery, claims must be filed in writing with: any participating carrier having sufficient information to identify the shipment.
(b) Claims for loss or damage must be filed within nine months after the delivery of the property (or, in the case of export traffic, within nine months after delivery at the port of export), except that claims for failure to make delivery must be filed within nine months after a reasonable time for delivery has elapsed.
(c) Suits for loss, damage, injury or delay shall be instituted against any carrier no later than two years and one day from the day when written notice is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, no carrier shall be liable, and such claims will not be paid.
(d) Any carrier or party liable for loss of or damage to any of said property shall have the full benefit of any insurance that may have been effected, upon or on account of said property, so far as this shall not avoid the policies or contracts of insurance, PROVIDED, that the carrier received the benefit of such insurance will reimburse the claimant for the premium paid on the insurance policy or contract.

Sec 4
(a) If the consignee refuses the shipment tendered for delivery by carrier or if carrier is unable to deliver the shipment, because of fault or mistake of the consignor or consignee, the carrier’s liability shall then become that of a warehouseman. Carrier shall promptly attempt to provide notice, by telephonic or electronic communication as provided on the face of the bill of lading, if so indicated, to the shipper or the party, if any, designated to receive notice on the bill of lading. Storage may be, at the carrier’s option, in any location that provides reasonable protection against loss or damage. The carrier may place the shipment in public storage at the owner’s expense and without liability to the carrier.
(b) If the carrier does not receive disposition instructions within 48 hours of the time of carrier’s attempted first notification, carrier will attempt to issue a second and final confirmed notification. Such notice shall advise that if carrier does not receive disposition instructions within 10 days of that notification, carrier may offer the shipment for sale at a public auction and the carrier has the right to offer the shipment for sale. The amount of sale will be applied to the carrier’s invoice for transportation, storage and other lawful charges. The owner will be responsible for the balance of charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balances will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.

Sec 5
(a) In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by the shipper or has been agreed upon in writing as the released value of the property as determined by the classification or tariffs upon which the rate is based, such lower value plus freight charges if paid shall be the maximum recoverable amount for loss or damage, whether or not such loss or damage occurs from negligence.
(b) No carrier hereunder will carry or be liable in any way for any documents, coin money or for any articles of extraordinary value not specifically rated in the published classification or tariffs unless a special agreement to do so and stipulated value of the articles are endorsed on this bill of lading.

Sec 6
Every party, whether principal or agent, who ships explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods. Such goods may be warehoused at owner’s risk and expense or destroyed without compensation.

Sec 7
(a) The consignor or consignee shall be liable for the freight and other lawful charges accruing on the shipment, as billed or corrected, except that collect shipments may move without recourse to the consignor when the consignor so stipulates by signature or endorsement in the space provided on the face of the bill of lading. Nevertheless, the consignor shall remain liable for transportation charges where there has been an erroneous determination of the freight charges assessed, based upon incomplete or incorrect information provided by the consignor.
(b) Notwithstanding the provisions of subsection (a) above, the consignee’s liability for payment of additional charges that may be found to be due after delivery shall be as specified by 49 U.S.C. 13706, except that these provisions do not apply to shipper’s liability for collection of freight payments under 49 U.S.C. 13706. The consignee need not provide the specified written notice to the delivering carrier if the consignee is a for-hire carrier.

Sec 8
(a) If this bill of lading is issued on the order of the shipper, or his agent, in exchange or in substitution for another bill of lading, the shipper’s signature on the prior bill of lading or in connection with the prior bill of lading as to the statement of value or otherwise, or as to the election of common law or $10,000 limit of liability shall be considered a part of this bill of lading as fully as if the same were written on or made in connection with this bill of lading.

Sec 9
(a) If all or any part of said property is carried by water over any part of said route, such water carriage shall be performed subject to the terms and provision and limitations of liability specified by the “Carriage of Goods By Sea Act” and any other pertinent laws applicable to water carriers.
IMPORTANT INFORMATION ON LIMITS OF LIABILITY

FREIGHT DAMAGE OR LOSS

TRANSPORTING (CSS LOGISTICS) AND WAREHOUSING (CSS)

TRANSPORTATION: Damage or loss occurs during the movement of your freight from one location to another using a common carrier. All claims are to be processed through the freight carrier.

CSS Logistics is a freight broker. We arrange freight pick up and deliveries between exhibitors and a common carrier – our preferred carriers are YRC and Associated Global Systems (AGS). As a broker, CSS Logistics assumes no liability for loss or damage.

WAREHOUSING: Damage or loss occurs after delivery prior to arrival at your booth.

Our Advance Warehouse locations outside of New Mexico carry warehouseman’s limits of liability which are typically between $.30 – $1.00 per pound depending on type of loss. New purchases (with proof of purchase) are the generally the higher amount. Some items such as exhibit booths over 5 years old, there is no recovery. All claims are filed with YRC.

CSS’ liability in Albuquerque, New Mexico is limited to physical loss or damage to a specific article which is lost or damaged, and in any event CSS’ maximum liability will be limited to $.30 per pound, per article with a maximum liability of $50.00 per item or $1,000.00 per shipment, whichever is less. Claim must be made within 30 days of damage/loss. File your claim with CSS.

CSS will not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor’s materials which may make it impossible or impractical to exhibit said materials.

The consignment or delivery of a shipment to CSS by an exhibitor, or by any shipper on behalf of the exhibitor, will be construed as an acceptance by such exhibitors (and/or shippers) of the terms and conditions set forth in this document.

PLEASE INSURE YOUR TRADESHOW MATERIALS THROUGH YOUR EXISTING INSURANCE COMPANY.

Freight carriers do offer transportation insurance for new purchases. Quoted upon request.

I have read and understand the above terms and limits.

If violations are found during the exhibition or show, violating booth(s) shall be subject to closure.

The Fire Marshal’s Office understands that each exhibition, show, or event are different. Depending on the circumstances of the event additional items may need to be addressed. In these instances it will be necessary to follow IFC Section 2416.1 which states in part: When in the opinion of the Fire Marshal, it is essential for public safety in a place of assembly or any other place where people congregate, due to the number of persons, or the nature of the performance, exhibition, display, contest, or activity, the owner, agent, or lessee, shall employ two or more qualified persons from within the fire department. Qualified persons would be as necessary for the greatest life safety, i.e. firefighters, paramedics, full truck crews, etc.
Safety is very important for everyone working in the Exhibit Hall.

Convention Services of the Southwest, Inc (CSS) values safety throughout our organization and demonstrates it in the work we perform. By following the safety guidelines below, you will be doing your part in creating a safe work environment.

SAFETY GUIDELINES

- Only authorized personnel and employees allowed, all others are prohibited during move-in and move-out.
- Be aware of your surroundings. You are in an active work area with changing conditions. Pay attention.
- All exhibitors and attendees enter at their own risk. Do not enter the dock/yard areas – these areas can be particularly dangerous.
- Stay clear of machinery. Look for obstacles, machinery, and equipment that are in use. Drivers of these vehicles or machines may not be able to see you.
- Never stand on furniture. These objects are not designed to support your standing weight.
- Prevent electrical shocks, falling items, and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.
- Wear closed toe shoes.
- Clean up or report spills.
- Practice good housekeeping. Keep aisles free and clear of any and all debris.
- Be aware of your surrounding areas for electrical cords or other trip hazards. Sometimes the view of equipment or items may be obstructed.
- Protect valuables at show site.
- Report any fires immediately.

If you notice anything unsafe, please contact a CSS employee immediately.

During move-in and move-out unsupervised individuals under the age of 18 are prohibited from being on or around the show floor. Show sites during these times are similar to a construction zone and considered to be hazardous. OSHA regulations prohibit minors from being present in a hazardous work environment.
